

Integrated Documentation

ON-SITE STAFFING

Working in conjunction with Heygate Management, which has been established for many years, to meet the growing demand for the provision of specialist staff. I-Doc now offers various disciplines of staff to fill short, long term and permanent positions.

Staff are provided from within our offices and our data base of select contract personnel. All personnel on our files have a proven track record with either previous or current clients, allowing I-Doc to place staff in the knowledge that they are suitably matched to the requirements.

We supply:

- Technical Authors
- Design, Technical Illustrators and Draughtsmen with Board and CAD experience.
- Electrical, Electronic and Mechanical Engineering Staff
- Project Management and Engineering Staff

The advantages to you include:

- No advertising, interview, or training costs
- Fixed cost, daily, weekly and monthly
- Immediate availability

If you would like more information, please do not hesitate to contact us.
